

Stars for Charity concert raises €15,000 for Gesu' Fil-Proxxmu.

The Stars for Charity Concert organised by the AX Foundation last December raised the sum of €15,000 for the Missionary Movement, Gesu' Fil-Proxxmu.

This was announced by Mrs. Josephine Xuereb, AX Foundation Chairperson during the presentation of the donation to Dun Gorg Grima, the founder of the Gesu' fil-Proxxmu Movement.

Mrs. Xuereb thanked the sponsors Tip Top Commercial, Malta Fairs & Conventions Centre, Lewis Press, The General Soft Drinks Ltd., GO. 3 D Distributions, The Palace Hotel and AX Construction Ltd, PBS, Sound Systems and Nexos for their support.

She also praised the excellent performance of those who voluntarily performed at this concert including Mrs. Paul Abela the musical Coordinator, Mrs. Lino Pirota of the Peace Band Naxxar, Ray Azzopardi, Claudette Pace, Adina Romana, Gorg Curmi (il-Puse') Ludwig Galea, Georgina, Tony Grimaud and Anna Chetcuti Bonavia.

On his part Dun Gorg Grima said that true love is that of sharing what one has with those who have nothing. On the other hand God will repay a hundredfold for donations made to Him through our suffering and hurt neighbours. The project THREE IN ONE in the city of Bondo in Kenya has started and it is a great satisfaction to see the construction proceeding. The Franciscan Nuns who will be running this new home are fervently praying and looking forward to receiving the first children in the near future. As the name implies these will come from three categories of orphaned and abandoned children – the blind, the deaf and dumb and Victims of HIV.
